

Workshop Wednesdays at Family Learning Centre

1 to 3:30 p.m.

Snack included

Take-home
material

Workshop Wednesdays are an opportunity for homeschoolers to learn about specific, curriculum-related topics in a comfortable and fun environment!

We present and apply a substantial amount of information, but we know that retention requires reinforcement. So, we provide material to take home which parents can use if they wish.

The recommended ages for individual workshops are only a suggestion. It is up to parents to determine if their child will benefit from a workshop.

Upcoming Events

April 3, 2019

Powerful Punctuation

In a fun and lively session we will explore the importance of punctuation and discover just how significantly the thoughtful use of punctuation can improve writing. Commas and periods will be emphasized, but some of the other more "difficult" marks will be discussed as well (colons, semicolons, brackets, etc.).

Recommended age: Grades 4-7

May 8, 2019

Weather: You Like It, or Not

Participants in this workshop will learn how weather phenomena is determined by measurements of temperature, wind, precipitation, and more. They can expect hands-on activities and experiments.

Recommended age: Grades 5-6

Space is limited, so sign up early

Email us to sign up for the Workshop Wednesday mailing list

Workshop Wednesdays Will Include

- Take-home materials, including a list of topics covered and practice sheets so students can reinforce what they've learned. Also included is a quiz sheet which parents can use at home.
- A complimentary snack bag for each student to have at the break. Bags include a granola bar, juice box, goldfish crackers, cheese strings, and fruit jellies. (Feel free to send your own snack if that is preferable.)
- Use of the waiting room for any families who need to stay during the workshop
- A receipt for our services

Workshop Wednesdays Will Not Include

- Tests! We leave assessment to parents. We will do our best to prepare students for a short quiz that parents can administer at home at their own discretion.
- Uncomfortable situations. We believe that students learn best when they are not stressed, so we plan programs carefully with that in mind.

Workshop Cost

\$20/child

\$15/additional child registered
from the same family

Call or email to register:

403-392-4749 familylearningcentre.info@gmail.com

(Please include your name, phone number, and email address. Also include the names of the children you are registering)

What is Family Learning Centre?

Family Learning Centre is a family business which offers 1-on-1 tutoring for a wide variety of ages in a wide variety of subjects. We also offer piano lessons and music theory lessons, and are now introducing educational workshops for homeschooling families. We are a homeschooled family, so we are very excited to provide this service! We operate from a former farmhouse. Inside, we have created comfortable tutoring spaces and an inviting waiting room for families.

We Believe

Parents and students can expect our workshops to be taught from a Biblical perspective.
